

Don't Forget To Love Your Pet® LLC is a small business with unique pet-themed products. We donate a portion of our proceeds from all internet sales with the "Don't Forget To Love Your Pet" logo to charitable animal organizations. We publish this list of local animal groups, participate in fundraisers for local rescues & shelters and network on behalf of homeless animals. We also maintain an informational website called dogsinneedeverywhere.org. Through these activities, we hope to create community awareness, increase the quality of life for animals in shelters & rescues, & help increase adoption.
